Three STL Special Holiday Offers

Laval, December 13, 2017 — The Holiday Season is synonymous with joy and celebration but it can also mean packed parking lots and traffic nightmares. *Société de transport de Laval* (STL) is helping make life simpler with three offerings that will help you keep a couple of dollars in your pocket all while getting around safely.

1. Free 7/7 downtown shuttle

Line 360, which circles Laval's downtown core, is offering free unlimited transport **every day during the Holiday Season from December 23 to January 7 inclusively**.

There are no conditions and no registration is required. Everyone is welcome! Jump aboard and enjoy: it's free! Avoid the madness and shop, relax and visit any of a multitude of bars and restaurants or plan family activities with no hassle! Departures every 25 minutes from Montmorency metro station.

2. Free transport December 24 and 31: Let the STL be your designated driver for your yuletide season soirées!

Offer valid all day through the entire STL network including paratransit (upon reservation) and taxibus. Our drivers will accept voluntary cash contributions on those two days and all proceeds will go to the *Centre de bénévolat Moisson Laval*, which offers food for people who are facing food insecurity. Take advantage of this service to celebrate to your liking and get around safely.

3. Two extra days of family transport and savings!

Offered on the regular STL network, effective all weekends and holidays, it also comes with a bit extra, as December 26 and January 2 are also counted as holidays. Up to five children can travel free of charge if they are accompanied by an adult STL fare holder or an adult who pays their fare on board. Offer valid: December 23-24-25-26, December 30-31-January 1 and 2; and all weekends from then on.

Enjoy; it's free!
